Sir:

AMENDMENT AFTER FINAL

In reply to the Final Office Action mailed August 29, 2005 and the Advisory Action mailed March 22, 2006, Applicants respectfully request reconsideration of the claims in view of the following remarks pursuant to 37 C.F.R. § 1.116. A timely Notice of Appeal was filed February 28, 2006, and this paper is accompanied by a petition and fee for a three month extension of time and is thus timely filed.

In an interview on April 10, 2006 between Xiaozhen Xie, Elizabeth Kemmerer and Rebecca McNeill, the Office agreed to take under advisement arguments provided

in an Amendment After Final setting forth support in the specification for a broader scope for the term "isolated P-selectin ligand protein," to include fusion proteins.
